

European Commission

Introduction and Update from the European Commission

Neophytos Neophytou
Industrial Technologies
DG Research and Innovation

Brussels, 28th November 2013

Research and Innovation

Outline

1. ManuFuture and sub-platforms

2. Commission staff working document Strategy for European Technology Platforms: ETP 2020

1. ManuFuture and sub-platforms

1 Additive Manufacturing

2 Agriculture Engineering and Technologies

3 Clean Environment Technology

4 European Concept

5 European Tooling

6 Foot wear

7 Joining

8 Micro Nano Manufacturing

2. Strategy for European Technology Platforms: ETP 2020

Available on: http://cordis.europa.eu/technology-platforms/

ETPs will:

(1) develop strategies and provide a coherent business-focused analysis of research and innovation bottlenecks and opportunities related to societal challenges and industrial leadership actions: **strategy function;**

(2) mobilise industry and other stakeholders within the EU to work in partnership and deliver on agreed priorities: **mobilising function;**

(3) share information and enable knowledge transfer to a wide range of stakeholders across the EU: **dissemination function.**

Thank you for your attention!
